PETITION TO WITHDRAW HOLDING OF ABANDONMENT

UNDER M.P.E.P. 711.03(c)(I)(B)

Applicants respectfully request withdrawal of the holding of abandonment under M.P.E.P. 711.03(c)(I)(B) in the above-identified patent application on the basis that there is no abandonment in fact.

The applicants are in receipt of a Notification of Abandonment dated January 18, 2006. The notification states that applicants failed to respond to the notification of Missing Requirements mailed June 27, 2005 within the time period set therein.

Applicants respectfully submit that the declaration of the inventors identifying the application by international application number and international filing date and a surcharge fee of \$130.00 were timely filed on January 27, 2006, within the extended time period under the provisions of 37 C.F.R. 1.136(a) as set in the Notification of Missing Requirements dated June 27, 2005.

Under the Notification, applicants were given two (2) months from the date of the notice to file the declaration of the inventors. Thus, the due date for filing the declaration

as set in the notice was August 27, 2005. However, since the notice indicated that this time period may be extended under the provisions of 37 C.F.R. 1.136(a), and since there was no indication in the notice of a shortened statutory time period, the final due date for filing the declaration of the inventors was January 27, 2006.

Under 37 C.F.R. 1.136, an applicant may extend the time period for reply up to the earlier of the expiration of any maximum period set by statute or five months after the time period set for reply, if a petition for an extension of time and the fee set in §1.17(a) are filed. On January 27, 2006, five (5) months after the time period set for reply, applicants filed a five (5) month request for extension of time, a check in the amount of \$2,160.00 for the extension of time fee for five months, a declaration of the inventors properly identifying the international application and the surcharge fee of \$130.00 for filing the declaration later than 30 months. A copy of the stamped receipt card from OIPE showing the filing of the foregoing fees and documents on January 27, 2006, is enclosed.

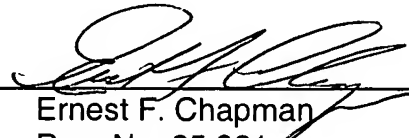

In view of the foregoing, it is respectfully requested that applicants met the requirements of 35 U.S.C. 371 and 37 C.F.R. 1.495 and that the Notification of Abandonment be withdrawn.

If there is any fee due in association with this request you are authorized to charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
